

AUTOMOTIVE PROTECTION PLAN LIMITS & EXCLUSIONS

Coverage is subject to deductibles, limits and exclusions. The contract covers repairs only of covered parts and only when they suffer a breakdown as defined in the contract. Under some circumstances, a breakdown of a covered part may not be covered (for example, failure due to misuse or lack of proper maintenance or when a non-covered part is what caused the covered part to fail). Also, the exclusions contain a list of parts not covered, some of which may be associated with a covered part (for example, brake drums, pads and rotors; exhaust pipes, mufflers and catalytic converters; and body and trim items). Please see the service contract for details.

When a problem occurs, do you want to pay these prices?

\$3,946
Timing Belt/
Timing Chain

\$747
Alternator

\$550
Water
Pump

\$466

ADDITIONAL PLAN BENEFITS

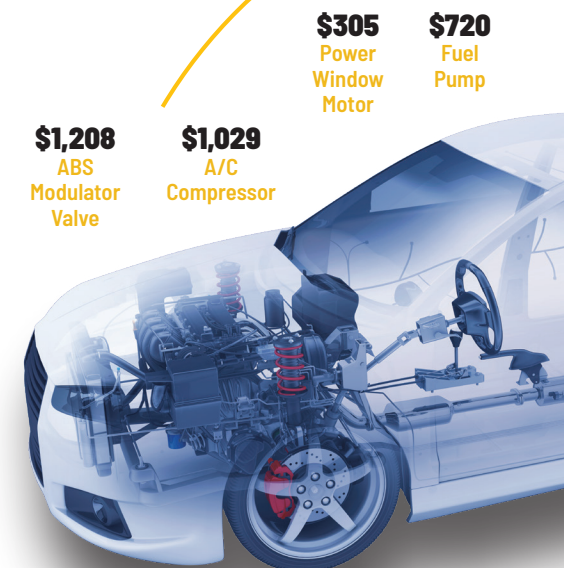

EMERGENCY ROADSIDE ASSISTANCE

Up to \$150 of coverage per incident for emergency roadside assistance is available for the following:

- Towing or winch-out service
- Flat tire replacement
- Delivery of fuel, water and other fluids (excluding the cost of fluids)
- Lock-out assistance
- Jump start

SUBSTITUTE TRANSPORTATION*

- *See contract for details

Average Repair Costs*

POWERTRAIN COVERAGE

GASOLINE/DIESEL ENGINE

- valve cover(s)
- cylinder head(s)
- timing cover
- engine block
- pistons-pins and rings
- connecting rods
- crankshaft
- camshaft and followers
- internal bearings
- oil pump
- serpentine belt
- water pump
- engine torque strut
- engine mounts
- harmonic balancer
- drivebelt pulleys
- dipstick and tube
- oil pan
- valve springs
- valve guides
- valve seats
- lifters
- rocker arms/shafts and bushings
- eccentric shaft
- timing belt/chain
- push rods
- timing gear
- tensioners and retainers
- valves
- intake and exhaust manifolds
- manufacturer-installed turbocharger(s)
- manufacturer-installed supercharger

TRANSMISSION

- (Automatic, Continuous Variable (CVT) Standard and Transfer Case)
- all internal lubricated parts contained within the cases
 - transmission
 - transfer case
 - torque converter
 - filler tube and dipstick
 - vacuum modulator
 - internal linkage
 - flywheel/flexplate

DRIVE AXLE

- (Front/Rear/AWD/4-Wheel Drive)
- all internal parts contained within the housing
 - differential housing
 - transaxle housing
 - final drive housing
 - wheel hubs
 - axle shafts
 - universal joints
 - constant velocity joints
 - hub locking rings & retainers
 - hub bearing support
 - hub bearings
 - driveshafts

FUEL

- fuel delivery pump
- fuel sending unit
- fuel injectors
- diesel injection pump
- fuel lines & nozzle
- fuel tank

HYBRID VEHICLE

- hybrid vehicle electric motor assembly
- electronic transmission/transaxle assembly
- electric traction-drive motor assembly

FILTERS, FLUIDS, LUBRICANTS, & TAXES

- hybrid vehicle electric motor assembly
- electronic transmission/transaxle assembly
- electric traction-drive motor assembly

SILVER COVERAGE

All parts listed under Powertrain, plus:

STEERING

- all internal lubricated parts within the steering gear, power steering pump and rack and pinion housing
- steering column shaft
- steering linkage
- control valve
- power cylinder
- pitman arm
- power steering cooler lines
- idler arm
- tie rod ends
- all internal lubricated parts
- steering column shaft couplings

ELECTRICAL

- alternator voltage regulator
- alternator
- pole pieces
- rear defrost
- all relays and solenoids
- all switches including manually or mechanically-operated electrical switches
- power door lock solenoids
- starter motor
- power window motors and window regulators
- all electric motors & controllers
- delays and pumps
- power door lock actuators
- cruise control transducer
- servo motors
- ignition coils
- wiring harnesses
- front and rear wiper motors
- starter
- starter solenoid
- distributor including bushings, gear, housing, and shaft

AIR CONDITIONING

- condenser
- compressor
- A/C receiver dryer
- POA valve
- orifice tube
- serpentine belt tensioner
- dash control unit/temperature control
- control programmer
- high pressure compressor cutoff switch
- compressor clutch and coils
- pressure cycling switch
- evaporator
- accumulator
- blower motor
- A/C power module
- pulleys and bearings
- A/C ducts and outlet hoses
- low pressure compressor cutoff switch

ALL PLANS INCLUDE
ROADSIDE ASSISTANCE
AND RENTAL

GOLD COVERAGE

All parts listed under Powertrain and Silver, plus:

SUSPENSION

- control arms
- control arm shafts
- control arm bushings
- radius arms and bushings
- torsion bars
- coil and leaf springs
- wheel bearings
- stabilizer bar
- stabilizer links
- stabilizer bushing
- spindles
- steering knuckles
- ball joints
- bearings and bushings

BRAKES

- brake caliper actuators
- master cylinder
- vacuum assist brake booster
- disc brake calipers
- wheel cylinders
- brake springs, clips and retainers
- vacuum brake booster pump
- compensating valve
- backing plates
- linkage and cables
- self-adjusters
- brake hydraulic lines and fittings

COOLING & HEATING

- electric cooling fan motor
- blade assembly
- fan clutch
- radiator (*one radiator per life of contract*)

ELECTRONICS

- electronic level control system
- ignition module
- knock control sensors and controller
- driver information display and module
- keyless entry system
- manufacturer-installed theft deterrent devices/systems
- the following parts of the ABS:
 - electronic wheel sensors
 - ABS pump
 - pressure control module

SEALS & GASKETS

- seals and gaskets for Covered Parts except seals and gaskets for minor loss of fluid or seepage

PLATINUM COVERAGE

PLATINUM PROVIDES PROTECTION FOR OVER 15,000 PARTS!

PLAN UPGRADES

SEALS & GASKETS FOR POWERTRAIN OR SILVER

- Seals and gaskets within component groups.
- Minor loss of fluid or seepage is considered normal and is not considered a Mechanical Breakdown.

AIR CONDITIONING FOR POWERTRAIN

- condenser
- compressor
- clutch coils
- accumulator
- dash control unit/temperature control programmer
- receiver/dryer
- pressure cycling switch
- blower motor
- high/low compressor cutoff switch
- compressor clutch
- evaporator
- POA valve
- clutch coils
- serpentine belt tensioner
- orifice tube
- power module
- pulleys and bearings
- ducts and outlet hoses
